

HEALX[®]

Natural Wellness Products for All Animals

Harrisons
PET PRODUCTS

Since 1980

Nutraceuticals

Booster®

A source of non-synthetic, whole food vitamins and precursors with antimicrobial activity for all animals

USAGES:

- Provides a natural, whole food source of carotenoids (both alpha- and beta-carotene, precursors to vitamin A), essential fatty acids, 6 forms of vitamin E, and CoQ₁₀
- Helps prevent disease
- Benefits the animal's skin, coat/plumage, eyes, heart and immune system

HAS BENEFICIAL APPLICATIONS FOR:

- Allergies
- Sick, weak or immune-compromised animals
- Upper respiratory infections

- Bacterial sepsis
- Microbial disease
- Skin disorders, such as atopic dermatitis, lick granulomas, non-healing wounds and self-mutilation disorders

"Skillet" - Franklin, TN

Sunshine Factor®

A source of non-synthetic, whole food vitamins and precursors for everyday wellness in all animals

WHOLE FOOD

USAGES:

- Provides a natural, whole food source of carotenoids (both alpha- and beta-carotene, precursors to vitamin A), essential fatty acids, 6 forms of vitamin E, and CoQ₁₀
- Maintains daily wellness
- Benefits the animal's skin, coat/plumage, eyes, heart and immune system
- Increases animal's energy
- May help alleviate alopecia (hair loss)

"Seth" & "Janie" - Chesterland, OH

Sunshine Factor® Omega-3

A proprietary blend of sustainable red palm fruit oil enriched with perilla seed oil for increased levels of omega-3 fatty acids

USAGES:

- Helps balance the relatively high level of omega-6 fatty acids often found in commercial animal foods
- Helps reduce inflammation
- May help lower the risk of disorders, such as heart disease, cancer and arthritis and improve cognitive and behavior functions

"Bentley" - Loxahatchee, FL

Topical Treatments

Soother Plus®

A nontoxic topical antimicrobial cream with immediate antipruritic effects for all animals

USAGES:

- For presumed allergic, bacterial, viral, fungal or yeast dermatological conditions
- For animals with pruritis, inflammation and discomfort
- May be safely used on all animals—dogs, cats, horses, rabbits, small mammals, birds, reptiles
- Does not contain steroids or antibiotics
- May be used on animals with skin disorders, such as abscesses, infected lesions, dermatitis, wounds, burns, lick granulomas, bumblefoot, blood feathers, self-mutilation lesions and rectal prolapse
- May be used anywhere on the body except the eyes

"Zeus" - Nashville, TN

NON-GMO

Soother Spray®

A soothing topical spray with antipruritic and anti-inflammatory effects to reduce superficial itching

USAGES:

- May provide soothing relief for skin inflammation, topical irritation and soreness
- Promotes healing of sensitive skin and superficial lesions often noted in early self-mutilation cases

HAS BENEFICIAL APPLICATIONS FOR:

- Skin allergies
- Urine scald
- Mange
- Dermatitis
- Polyfolliculitis

"Duke" - Lake Worth, FL

SUSTAINABLE PRODUCTS

Rain®

A natural nontoxic hydrating spray

USAGES:

- Soothes and hydrates dry skin
- Promotes skin health
- Restores moisture to skin, coat or feathers that have lost normal moisture due to dry, indoor environments
- Acceptable for daily use as a natural bath
- Reduces dander and dust

Palma de Mallorca, Spain

800-946-4782

Additional Nutraceuticals

Booster Concentrate®

An antimicrobial dietary supplement

USAGES:

- Shown in laboratories worldwide to inactivate some bacteria, viruses and fungi/yeast
- Reduces reactive nature of allergens
- Helps support the immune system
- Helps regulate bowel function
- Does not destroy the body's friendly bacteria or form resistant organisms
- Has no contraindications

Healthzyme™

A high-potency source of important minerals, vitamins and proteins for all animals in a proprietary blend of live *Saccharomyces cerevisiae* yeast cultured on organic non-GMO grains that provides documented health benefits

USAGES:

- Promotes proper absorption of nutrients from food and regulation of normal blood sugar levels
- Improves mental and physical capabilities
- Stimulates the immune system, including increased T-cell production
- Increases energy and longevity with reduced incidence of disease
- May improve kidney function in animals with gout as well as cases of malabsorption syndrome or chronic pancreatitis

MADE IN THE USA

Bird Builder®

A natural trace mineral and iodine supplement for birds not eating a formulated diet

USAGES:

- Supplements trace minerals and iodine missing from a seed diet
- May enhance feather strength and appearance
- May support conversion to a formulated diet by stimulating the appetite
- May reduce incidence of fatty liver disease and obesity
- May help support the body's enzymes and promote a healthy immune system

"Waylon" & "Willie" - Brentwood, TN
