

Harrisons' Pet Products Veterinary Club Program

What's in it for the club?

- **Raise money**
- **Start with a free \$250 credit** with which to make your first purchase.
- **Receive a deep discount (20% below wholesale)** for sales to fellow students and faculty, local veterinarians, pet stores, local pet events, online and even pet owners.
- **Take advantage of the deep discounts** for your own pets.
- **Receive free educational and promotional materials** (brochures, rack cards) to support your growing enterprise.
- **Gain knowledge and experience** with products that will prepare you for success following graduation.
- **Develop business skills** while you are still in school by buying, selling, building relationships, communicating with others, setting up distribution channels and building a real-life business model that you can use now and after graduation.

How to get started

- **Simply have a faculty veterinarian/club advisor send a letter** stating your club's intentions for use of the funds and who is responsible for payment to:
Dana O'Donoghue
Email: Dana@HarrisonsPetProducts.com
or fax: 561-641-0234
- **We will set up an account for the club** and post the \$250 gift credit for your first order.
- **Place an order.** Choose from among the many products offered by Harrisons' Pet Products and deduct your Student Program discount.
- **Start selling, have fun and make money!**
