

SOOTHER[®]

TOPICAL OINTMENT

A soothing, topical ointment with antipruritic and anti-inflammatory effects

BENEFITS

- May reduce superficial itching and provide soothing topical relief for skin inflammation and irritation
- Promotes healing of sensitive skin and superficial lesions often noted in early self-mutilation cases
- May provide topical relief and healing for small cuts, bruises and minor injuries
- Soothes irritated skin
- Employs transdermal technology for efficacy of topical application

DIRECTIONS

- Apply topically with a cotton-tipped applicator and massage into affected area several times a day or as directed by your veterinarian.
- Rinse affected area with warm water every 7-10 days to avoid buildup.
- Discontinue use if redness or irritation occurs.
- Do not use in or around the eyes.
- Do not use with other topical or occlusive products.

INGREDIENTS

Pure aloe vera distillate and a patented quaternary ammonium solution for analgesia
