

SOOTHER[®]

TOPICAL SPRAY

A soothing, topical spray with antipruritic and anti-inflammatory effects

BENEFITS

- May reduce superficial itching and provide soothing topical relief for skin inflammation and soreness
- Promotes healing of sensitive skin and superficial lesions often noted in early self-mutilation cases
- Soothes irritated skin
- Employs transdermal technology for efficacy of topical application

DIRECTIONS

- Hold several inches from the affected area and apply a mist.
- Spray animal several times a day or as directed by your veterinarian.
- Rinse affected area with warm water every 7-10 days if buildup occurs.
- Discontinue use if redness or irritation occurs.
- Do not use with other topical or occlusive products.
- Soother spray is most beneficial when used in conjunction with Booster.
- Do not use in eyes.

INGREDIENTS

Distilled water, pure aloe vera distillate and a patented quaternary ammonium solution for analgesia
