

# TURN HARRISON'S MASH INTO A BIRD BREAD

A simple way to add variety and enrichment while keeping Harrison's nutrition at the center of the recipe.

## EASY BIRD BREAD RECIPE

### YOU'LL NEED:

- 1 lb bag Harrison's Mash
- 1 tsp baking powder
- 2 organic eggs
- 1 Tbsp organic coconut oil *(Or another high-quality organic oil)*
- Approx. 1 cup water

### MIX • POUR • BAKE

Combine ingredients and add water as needed to reach a pourable batter consistency.  
Pour into a bird-safe bread pan or muffin tin.  
Bake at 350°F for 25–30 minutes.

### BIRD-SAFE BAKING:

- Never use PTFE/Teflon® or other non-stick cookware around birds. Heated non-stick coatings can release fumes that are dangerous to birds.
- Never use avocado oil.

Please note: Our line of Harrison's Bird Bread Mixes (Original and Omega) will be discontinued in the first quarter of 2027. We encourage using Harrison's Mash to make bake-at-home bird bread moving forward. The Mash formulas are tasty, nutritious and easy to prepare as an easily-customizable Bird Bread!
